The green flag means that the track is clear, either after an earlier incident or together with the green light, meaning that the pit lane exit is open.

### CAUTION

Start of the race is delayed. During the race, there is a danger ahead. The riders must slow down and overtaking is forbidden.

### SLIPPERY SURFACE

Surface grip is affected by something slippery on the track, such as rain or oil. Riders must be careful.

### DROPS OF RAIN

### BIKE CHANGE ALLOWED

This flag tells the riders that they can change their bikes – in case it starts raining heavily or in a wet race, when the track dries up.

### RACED STOPPED

The red flag tells riders that the race has been stopped. They should immediately slow down and go back to the pits.

### FASTER RIDER COMING
